Question 1 - Choice of superannuation fund

Complete this question by placing an 'x' in one of the boxes.

OPTION 1: Stay with your employer's super fund

If you don't make a choice, your employer's super contributions will be paid into a fund chosen by your employer. Your employer is not liable for the performance of the super fund you choose or the employer fund they choose on your behalf.

! Do not seek financial advice from your employer unless they are licensed to provide it. You can choose a different fund later if you like.

➔ If you chose this option, go to question 4 to complete your details

OPTION 2: Choose a new super fund

You can choose the super fund you want your employer super contributions paid to.

! Any money you have in existing funds will remain there unless you arrange to transfer it (or roll it over) to another fund. Check the impact of any exit fees, or benefits you may lose, before leaving the fund. Your employer cannot do this for you.

! Your employer is only required to accept one Standard choice form from you every 12 months.

➔ If you chose this option, go to question 2.

Question 2 - Details of my chosen superannuation fund

Provide the details of your chosen super fund.

Question 3 - Appropriate documentation

Complete by placing an 'x' in the box and including a copy of the appropriate documentation listed in the 'Standard choice form'.

Question 4 - Your details

Provide your personal details.

It is not an offence not to quote your tax file number (TFN). However, if you quote your TFN to your employer for super purposes, your employer must provide it to the super fund they pay your super to. Because of this:

- your super fund will be able to accept all types of contributions they receive from you
- the tax on contributions your fund receives for you will not increase
- other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your super benefits, and
- it is easier to keep track of different super accounts in your name so you receive all your super when you retire.

➔ Give this form to your employer and follow up with them to ensure your choice has been acted on within two months of giving them your form.

! Do not send a copy of this form to us, or your super fund. Just keep a copy for your own records.

HOW TO COMPLETE THIS FORM - EMPLOYERS

You must complete Section B of the form before you give the form to your eligible employee.

Question 5 - Your details

Provide your details.

Question 6 - Your chosen superannuation fund

Provide details of the super fund you have chosen for your employee.

Question 7 - Defined benefit fund entitlement

Complete by placing an 'x' in the appropriate box.

Question 8 - Previous super contributions

Provide details of where super contributions have been previously made.

! If your chosen fund has not changed please write 'not applicable' in the 'fund's name' field.

➔ Give a copy of this form to your employee after you have completed Section B.

! When your employee completes this form and returns it to you, you have two months to start paying contributions to your employee's new fund. If they stay with the fund you have chosen, make sure you pay super contributions for them by the super guarantee quarterly cut-off dates of:

- 28 October
